

Do Not Pack List

Here is a list of items that can't be packed into boxes and can't go into our moving truck. These items will need to be transported in your vehicle (we're happy to load/unload these items in/out of your vehicle).

1. Opened Liquids

Examples:

- salad dressing,
- olive oil,
- shampoo,
- cleaning products,
- freezer food,
- and more.

These items can leak through the cardboard boxes and damage your household items.

2. Flammables

Examples:

- alcohol (beer, wine, liquor),
- lighters/matches,
- gasoline/diesel/motor oil,
- kerosene,
- paint thinner,
- turpentine,
- nail polish remover (acetone),
- propane tanks,
- and more.

These items could cause a fire in our moving truck and damage your household belongings.

Do Not Pack List

3. Firearms

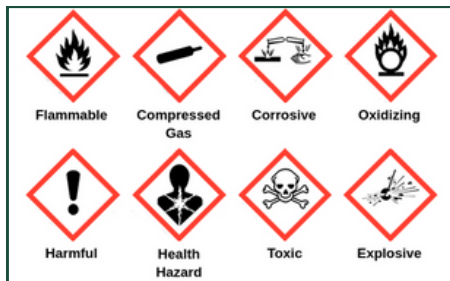

Examples:

- guns,
- ammunition,
- and more.

We are unable to transport these items.

4. Dangerous or Hazardous Goods

Examples:

- fireworks,
- batteries,
- aerosols,
- fertilizers,
- pesticides,
- and anything with the hazardous/dangerous symbol outlined on the picture to the left.
- cleaning products,
- ammonia,
- paint/varnishes,
- fire extinguishers,
- pool chemicals,

We are unable to transport these items due to their dangerous/hazardous class.

5. Filthy items

Examples:

- lawn mower covered in grass clippings/oil,
- items from garage/shed that are overly filthy,
- and more.

These items could damage your household items in our moving truck and would either need to be cleaned or transport these items separately.

Additional Items that Can't be Placed Into Storage

Non-perishable open food and plants

Examples:

- granola,
- rice,
- baking products,
- cereal,
- and more.

These items can attract rodents and insects which could damage your household items.
